## **Basic Aerobatic Course**

Updated: 28-nov-2008

The Aero Club Milano FTO organizes courses each year for Aerobatic Flight rating.

Course is open to all pilots as well as simple enthusiasts wishing to improve their knowledge about aerobatic flight. For pilots, course attendance is necessary to get Aerobatic Flight rating.

Course programme is:

1. Lesson 1: Course introduction and short history of aerobatic flight
2. Lesson 2: Aerostructures and performance
3. Lesson 3: Basic aerobatic maneuvers
4. Lesson 4: Piloting techniques
5. Lesson 5: Sport rules
6. Lesson 6: Aviation medicine
